DATE OF CONTENT <u>prior to 14 June 1950</u>		
		1 August 1950
		25X1A
PAGES <u>1</u>	ENCLOSURES (NO. & TYPE) <u>2 - sketches on ditto</u>	
REMARKS		25X1
25X1X		

1. Two ammunition depots were in the Bratislava area on 14 June 1950.*

25X1A

* Comment. For sketches of the two depots see Annexes 1 and 2. The size of the two depots indicates that the depots belong to troops stationed in Bratislava rather than being storage installations. The depot near Racistorf was definitely identified as such an organizational installation of the post in Bratislava in January 1949.
